

GRACE FELLOWSHIP - WORSHIP TEAM INFORMATION

Thank you for your interest in the Grace Worship Team! We are excited that you are willing to be considered for worship team membership. Please read below what we expect of all our team members.

Grace Worship Team members are selected based on their spiritual development, understanding of the calling to lead worship, commitment to Grace Fellowship, and of course, musical gifting. We want our team members to understand the responsibility of leading worship both for Sunday services as well as special events (worship nights, holiday services, etc.). What this means is we are looking for leaders more than simply musicians. We are seeking people of God dedicated to a life of worship who can play a part in Grace Fellowship achieving its vision and purpose, to reach Palm Beach County, South Florida, and the world for Jesus Christ and to make much of Christ.

Musically, we look for members who possess certain skills vocally and/or instrumentally. We seek vocalists who possess the ability and style to function as soloists as well as blend with a small vocal group, demonstrate strong leadership from stage (i.e., stage presence), and the ability to ad-lib and improvise when needed. We also seek musicians who have the ability to play different styles/genres of music, understand the dynamics of playing with a live band, play with click track/metronome, have a workable knowledge of their instrument, and are able to improvise and follow the music director and worship pastor at all times.

Currently, the Grace Worship Team rehearses weekly. This weekly rehearsal precedes the Sunday that each member is scheduled for. All members are expected to arrive at rehearsal, ready to go, where we work on polishing songs rather than learning them for the first time. We will always provide what is needed to learn songs and practice on your own time *prior to arriving* at rehearsal. This means that membership will require personal practice time to be taken outside of rehearsals and services.

If, after looking this over, you are interested in being considered for membership of the Grace Worship Team, please fill out the online form to set up an audition!

- Blessings, Grace Worship Team
